Course

Aphrodite Hills Golf is a Championship 18 hole golf course overlooking the Mediterranean Sea, halfway between the cities of Paphos and Limassol. Measuring 6.299 meters from the back Tees, and with a par 71, it is a fascinating golf course worth to play.

"I have kept the fairways spaciouly wide between trees, the greens on the large size, and both men and women have two sets of tees to choose from to match your capabilities. Challenge it from the very tips however, and in a bit of breeze, that can be a whole different story. Aphrodite Hills is the culmination of my 35 years designing golf courses, and I rate it among my very best work." Cabell Robinson – Course Designer
