On all competition days, after your round you must check in at the Scoring Desk at the lower terrace leading to the bar/restaurant area. **You must hand in your signed scorecards in the company of your playing partners for checking**, and to enable speedy resolution of any queries or issues. Cards submitted individually will **NOT** be accepted.

On the final day, you will be offered a voucher at the scoring desk for the presentation Buffet. The prize presentation will take place approximately 45 minutes after the close of play.

Please check the **Official Noticeboard** each day for any updates.

CGF has adopted "Ready Golf" in line with R&A recommendations, and pace of play will be monitored accordingly - see Noticeboard at Registration.

Volunteers will be present on the course – they will do their best to spot your ball but do try to assist them by signaling shots either right or left. A red flag means you should play a provisional ball. Referees will also be on course.

Finally, the **Tournament Committee** hopes that you enjoy your time with us, and that you will take away positive memories.
