

CGF Championships 2021

Press Release

24 June 2021

Limassol's Ales Chvalovsky disqualified and stripped of the title, Achilleas Lazaridis announced as the CGF Men's Champion 2021.

Following information which came to light after the completion of the event, alleging that the declared winner had signed for the wrong score on the 18th hole of the final day, the Tournament Committee having launched an investigation into the incident, concluded that Ales Chvalovsky had indeed signed for a lower score. The Tournament Committee, implementing the Rules of Golf, (Rule 20.2e Disqualifying Players After Result of Match or Competition Is Final) has therefore disqualified the player and declared Achilleas Lazaridis as the winner and the CGF Men's Champion 2021.

The official results of the men's tournament are therefore amended as follows:
