### Rules Education Initiative - Continues...

Last week the roadshow rolled into Kouklia.

22 Members and Staff of Secret Valley attended the session led by the CGF's Rules guru, level 3 Referee Michele Miller.

Feedback again has been very positive, and all participants enthusiastically joined in with the role play of situations commonly faced by golfers on the course. Even the well-seasoned golfers said they learnt things that will benefit them on the course.

Delegates applauded the CGF for this initiative.

So far, Ayia Nik, Paphos Golfers and Secret Valley have taken up the challenge.

Minthis and Elea are next.

What about your Club?
